It has been determined under the authority of the PNC that pre-hire health/fitness-for-duty/physical capability questionnaires, which may be used by an employer to determine the physical capabilities of a worker to perform certain work tasks, are acceptable and are not inconsistent with the Exelon Amendment to the GPPMA, provided that they are not in conflict with local, state, and/or federal laws and further provided that the information collected is not used in a discriminatory manner. Any employment action arising from the information obtained in such questionnaires is subject to the grievance procedure in Article VII.
